THE YELL

a note from zach

Welcome to Spring! The weather has turned early (so it seems) and it does feel like we are closing in on 4th quarter quickly! In my own backyard there are daffodils coming up and little green buds on some of the plants – and I love it! After these winter months I hope you are finding some renewal in your life – something that is making you excited, something that feels new, and maybe even something that is renewing your connection to your faith.

Whatever the case may be, we hope to see you sometime in the near future, and hope you can make it to weekly programming, an Easter service, or connecting for coffee or a treat. Connection and renewal often go hand-in-hand!

We'll have games, crafts and passports with stickers for kids. The journey begins in Room 232 and goes through several rooms before ending in the Chapel.
